

# NURUL AZLIN BINTI TOKIMAN

## LECTURER, RESEARCHER

☎ 013-3905563

✉ nurulazlin@ns.uitm.edu.my

An adaptable and responsible individual, having excellent communication skills developed through my involvement in university leadership track. I enjoy working on my own initiative to build a team for research, innovation competition either in teaching and learning or product innovation. Having excellent interpersonal skill in teamwork, an organised individual and able to work under pressure. In short, I am reliable, self-motivated, charismatic, hardworking and eager to learn new things for self-development.

### WORKING EXPERIENCES

- **2011 - Present**  
Lecturer & researcher | Universiti Teknologi MARA  
Passionate in creating effective, attractive teaching and learning environment to nurture students through excellent curriculum design by ensuring constructive alignment between teaching methodology and assessment for excellent graduates.
- **2008 - 2009**
